22 DEC 1947 3829 D. No.

Subject: Installation of Weigh Bridge purchased from Messrs. W. & T. Avery Ltd., Madras.

Adverting to Government Order No. SD.8909-02/A.107-46-3 dated 23rd April 1947 sanctioning the estimate for Rs.3,400/- in connection with the installation of the Weigh Bridge, I have the honour to state that the installation is in progress in the District Office Compound, Bangalore. In the meanwhile, the Special Officer, Fuel Supplies, has found some difficulty in getting this work completed, as the estimates for the shifting of the Reinforced Concrete hut from R.D. No.1 to cover the machine and for the office building have not yet been sanctioned and has reported that the installation work will have to lie over pending sanction to the estimates for the other two works.

2. In this connection, I invite kind reference to my letter No.B2.C.222/46 dated 28th September 1946 soliciting sanction to the estimates for the marginally noted* works besides the installation of the weigh bridge. In the circumstances stated above, I have authorised these two works to be taken up and completed immediately and request you to be so good as to obtain and convey sanction of Government to these two estimates.

1) Shifting of the Reinforced Concrete hut from R.D. No.1 at a cost of Rs.1,200/-.
2) Constructing an office building at a cost of Rs.3,600/-.

3. The two estimates are herein enclosed for reference and return.

I have the honour to be,
Sir,
Your most obedient servant,
